STEPPING STONES

By Ann Cheney

The curtain falls,
As when a play is done,
And we who stand upon the stage
Await a curtain call.

There comes to those
Who've helped us play our parts
A glowing satisfaction,
That they have helped
To guide, influence, and inspire
The perfection of our roles.

And now the curtain rises
Once again,
And, as we stand before
The gathered throng
And feel the end is near,
Let through all minds pass
Swift and sure,
That we are just beginning here.

This play was but a stepping-stone
To greater plays;
An isthmus
In the geography of our lives;
A mountain that was scaled;
A river that was forded;
Or, a tree across the road.

Each barrier, long ago,
Was broken in a different way;
A body with balance
And feet with agility
Danced over stepping-stones;
The isthmus bowed
To the huge locks constructed;
The railroad tunnelled its way
Through the mountain;
Some pioneers forded
The river before them,
By roping large logs
To the sides of their stage-coach;
And one lone woodman
With a team of gray horses
Cleared the brown road
Of the tree which had fallen.

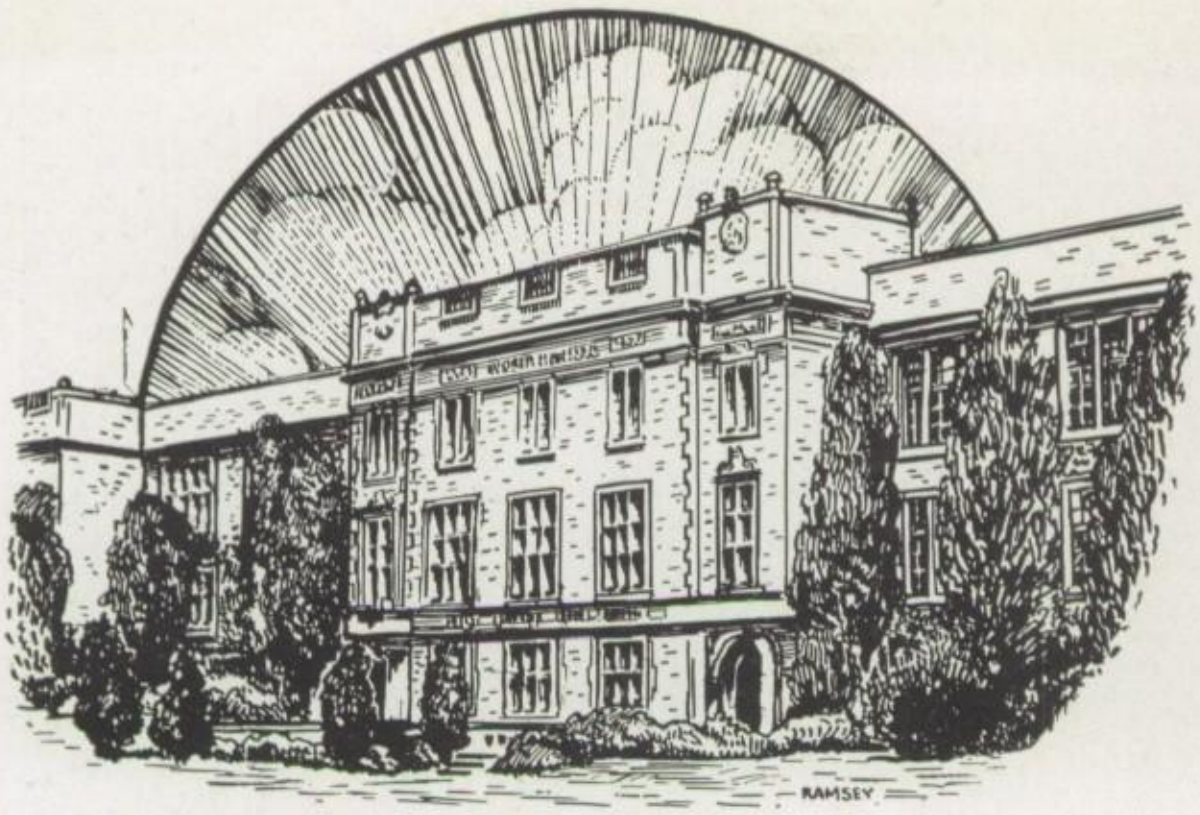
And also in this manner,
We must play each role;
For even when we do not see them,
Even when the footlights blind us,
The spectators are always watching;
Be they heaven's;
Be they earth's.

There sit the critics,
The cynics,
The hard-to-please,
Likewise the easily satisfied,
And the intelligently appreciative.
We play to them all;
We each must play well,
Never dropping out of character,
Motivating our action,
Going steadily onward.

And if we should encounter
Some defeat,
May it not beat us
To the ground,
But, rather, be an impetus
To do a greater thing.

And while we strive
To do this greater thing,
To play a greater part,
Within us
May we always know
That many simple acts
Are great.

Then, let us hope together,
That none of us will lose
The enthusiasm for life;
That this production
Will guide us to a future
So much better,
That we shall never wish
We might relive
The past again,
But direct our steps
Toward that which comes,
Yet keep this play
As a wonderful memory,
Cherished in our hearts.



CHALLENGE

by Jacqueline Wilson

We are the graduating seniors.
We, in the past three years, have instilled a part of us
That good or bad, shall survive us here in the dust of
This school.

We are taking up the challenge
Left by those before us whose voices echo in the quiet air,
Whose feet had met these steps with equal youthful dare
And passed on to greater things.

Let that, then be the goal of you and me:
To strive toward greater things.

As the grim eagle on mighty wings
Flies on and up, up beyond all sight,
We, too, must push on.
For life is what we mold it to be,
Obeying the chosen word, paying the given fee.
Life will not ask our choice of ways,
Why then, let Chance be the chooser?

We must not shame either those before—or those coming,
For they have entrusted in our hands the world and life!
Now, oh seniors, shall we mold the way with blazing sword
Or meekly attend Chance, Oh Lord!

FOOTBALL

The North High football team had an excellent season this year despite the fact that they had to share the City League Championship with two other schools. For eight games straight the Polar Bears literally trounced all opponents. The ninth game was with East and was the deciding game for the championship. According to the statistics of the game North should have had an easy victory, but, due to bad breaks, North lost by a score of 13-12. This was really a heart-break for all North fans. It was even more disheartening when the statistics were viewed. They read thus:

	North	East
First Downs	12	1
Yards Gained (Rushing)	294	40
Yards Lost (Rushing)	37	23
Yards Gained (Passing)	23	59
Fumbles	4	0
Fumbles Recovered	2	2

Because of this game North shared the City League title with East and Aquinas.

Six of North's team made All-High. They were Capt. Bob Stuart, tackle; Harry Ackley, guard; Bill Cochran, end; Don Schwartz, center; John Wright, quarterback, and Jim Clark, halfback. Some of the other players made second team All-High and some were given honorable mention. Captain Stuart was also chosen for the All-Ohio Second Team by International News Service. Don Schwartz and Jim Clark received honorable mention by I. N. S.

TRACK

The Polar Bear thin clads have had a good season thus far. In their first meet they trimmed East 68-50. Since then they have competed in the Wesleyan Relays, in which they took 13 points, a meet with Mansfield in which Mansfield defeated North 75-43, and a triangular meet with West High and South High in which the points were divided thus: North 103, West 71, and South 36. Besides this, they placed second in the District Meet with 47 1/5 points while Central copped first with 54 1/5 points.

North's team still has a good season ahead and has what it takes to make the best of it.

GIRLS' SPORTS—G. A. A.

The Girls' Athletic Association has been more active this year than ever before. On September 30 and February 10 they held their semi-annual New Girls' Party for the purpose of interesting new girls in athletics and G. A. A.

The first initiation of the year was held October 3 and began the steady increase in membership from forty-two to ninety-four—the largest enrollment in the club's history. All told, there were fourteen initiations this year.

The second social function of the year was an "Indoor Wiener Roast,"—(due to weather conditions) held in the gym October 31. An exciting volleyball game took up most of the evening with the boys claiming the honors.

The annual Christmas Party was held December 16 at the home of Nannette Lynch with a gift exchange and games.

A spread was held February 23 after which the girls went to the North-South basketball game and formed a cheering section, as is their custom at least once a year.

This year the G. A. A.'s were invited to attend three playdays at different schools and entered into competition tournaments with the various schools in basketball. The first of these was held March 13 at Grandview, the second March 16 at Arlington, and the third was a tournament and supper at West on April 2. The G. A. A.'s emerged victorious in all these tournaments.

North then played host to the eight city and suburban schools at a volleyball, baseball, and table tennis playday May 15. Due to weather conditions, however, the girls who were to play baseball had another volleyball tournament inside. The G. A. A.'s again stole all the honors except table tennis where they placed second. The tournament was closed by the distributing of the blue ribbons, refreshments, and the singing of all the various school or G. A. A. songs.

The annual Co-Ed Prom was held on April 28 with prizes awarded for the prettiest, funniest, most original, and best character costumes. It was a great success and everyone had a good time.

Elections for the coming year were held May 11 at Lila Spung's with Betty Jo Jackson stepping up to the position of President. The annual banquet on June 1 at Pomerene, at which time the new officers were installed and plaques were awarded for outstanding service, was the last meeting of the year.

Speedball

The speedball season was started in September and at the end of a successful season, Elaine Judy's team came out as the intramural champions. In the class tournament, the seniors captained by Sally Mallory and Elaine Judy, stole the honors.

Basketball

The biggest season of the year is the basketball season with some 200 girls participating in the intramurals. Amy Shoemaker's team won the intramural championship. The class tournament, which was held March 31, was a gala event with the gym decorated in the various class colors and filled almost to capacity. After two hard-fought games, the Seniors, with Betty Jo Jackson and Elaine Judy as captains, emerged victorious for the first time in their three years at North.

Volleyball

On April 6 and 7, the G. A. A.'s chose the class teams for the volleyball tournament which was held April 8. After two overtimes, due to a three-way tie, the Sophomore, ably captained by Bonnie Randolph, came out on top.

Baseball

The intramural baseball season was started April 15 with the choosing of the teams in the gym. This year there were fifteen teams comprised of the baseball enthousiastes throughout the school.
